SUMMARY

My journey from a non-IT background to DevOps reflects my passion for innovation, learning and a commitment to delivering high-quality solutions. I am excited to leverage my unique blend of skills and experiences to contribute meaningfully to the dynamic and ever evolving world of DevOps.

SKILLS

Languages: Basic of Python, HTML5, CSS, Java script.

DevOps Tools:

Git, Github, Jenkins, Docker, Ansible, Terraform, AWS.

PROJECTS

Terraform	My project 1 Creating an infrastructure to deploy and run service efficiently, ensuring optimal performance and reliability for application or server deployment.	github.com/SiranjeeviT/Terrafrom
Python	My project 2 Creating a Python quiz project can be a fun way to practice my programming skills.	github.com/SiranjeeviT/Quiz.py
DevOps	My project 3 Learning AWS (Amazon Web Services) can be a valuable skill. AWS is a wide range of cloud computing services that are used by individuals and organizations around the world.	github.com/SiranjeeviT/AWS

EDUCATION

07/2015 05/2018	-R.M.K Engineering College Electronics and Communication Engineering	College
07/2013 05/2015	-VelTech Polytechnic College Electronics and Communication Engineering	Diploma

EXPERIENCE

12/2020 06/2023	-edr continuous information private limited • Automated driving software, often referred to as self-driving car technology designed to enable a vehicle to operate without direct human input. This technology relies on a combination of sensors, cameras, lidar, and advanced algorithms to the surrounding environment. Here are some key aspects of automatic car driving software	Organisation
03/2019 03/2020	-Spectro Analytical Labs Limited • Inspection engineers play a vital role in maintaining and improving the quality of products. Their work is essential for ensuring compliance with standards, minimizing risks and delivering high-quality outcomes. The specific duties may vary but the overarching goal is to uphold quality standards and promote continuous improvement. Quality Assurance and Control / Testing and Analysis / Documentation and Reporting / Excel	Organisation
